

NOTICE: ANNOUNCEMENT OF AVAILABILITY OF DRAFT STATE WASTE DISCHARGE
PERMIT TO THE CITY OF MOUNT VERNON WASTEWATER TREATMENT PLANT

PERMIT NO.: ST-3861

APPLICANT: Draper Valley Farms, Inc.
1000 Jason Lane
Mount Vernon, Skagit County

has reapplied for a State Waste Discharge permit in accordance with the provisions of Chapter 90.48 Revised Code of Washington (RCW) and Chapter 173-216 Washington Administrative Code (WAC).

Draper Valley Farms is a chicken processing plant. The wastewater, following treatment, must meet the requirements of the Washington State Water Pollution Control Act and applicable regulations for a permit to be issued. Following evaluation of the application and other available information, a draft permit has been developed which would authorize the discharge of treated wastewater to the City of Mount Vernon Wastewater Treatment Plant.

A tentative determination has been made on the effluent limitations and special permit conditions that will prevent and control pollution. A final determination will not be made until all timely comments received in response to this notice have been evaluated.
